

MARCH 22, 2017

OUR PURPOSE:

To meet the needs of communities through volunteer service.

OUR VISION:

To create communities of change under common leadership and with a common voice that will serve the many in need.

OUR MISSION:

To improve the quality of life today for those at risk or impacted by hearing loss through education and support.

The guest speaker last week was Jackie Shannon, VA Oyster Restoration Manager with Chesapeake Bay Foundation.

The mission of the Virginia Oyster Restoration Center is to:

- Leverage greater public and private investment in the Baywide oyster restoration effort.
- Engage citizens, students and decision makers in hands-on oyster restoration activities.
- Create public awareness of the critical need to restore oysters.
- Develop partnerships with community groups, institutions, agencies and organizations.
- Serve as a platform for education and scientific research.
- Produce oysters for local reef restoration projects.
- Promote commercial oyster aquaculture.
- Work with oyster processors, growers and watermen to develop innovative ways to sustain the industry.
